Att: Mr. Howland Wood,

My dear sir:

Your letter of the 29th to hand and in reply I want to thank you very kindly for your prompt attention and for the reference which I have already sent in my application to the Association. I want you to understand that if I was living in New York City I would most assuredly join the Society which you represent, as it is, I think the Association is best for corresponding members who cannot attend meetings.

Please accept my sincere thanks, and if I am ever in New York I shall certainly come around.

Yours Respectfully,

*Richard R. Forrest*
